## *Julie and Joel Herbst*

*Please join us with your spouse to explore the possibilities of this business. Also invite friends or family members who also may benefit from this information.*

Julie and Joel Herbst live in Boca Raton, Florida with their two children. Julie's background is in television production and also in the fitness industry as a Certified Fitness Professional. Joel is a Regional Superintendent in Broward County, Florida, the sixth largest school district in the U.S. In a five year period of time, Julie and Joel both reached the top position of National Marketing Director with Juice Plus+®.

*"We feel very blessed that someone shared Juice Plus+® with us. This business has also been a gift. We are enjoying life with our children while building a dream business. Juice Plus+® and NSA are a winning combination."*
